SIGN IN – There will be a sign in sheet for each actor and stage helper in the lobby starting April 4. PLEASE sign in upon arrival so we know you are present. Starting April 10 at the costume rehearsal, this sheet will be posted on the backstage door. Again, sign in as you arrive and head to your dressing rooms. **COSTUMES** - APRIL 4 costumes will be tried on upstairs and returned to the racks in the hallway upstairs after rehearsal. On April 10 at the costume rehearsal, all cast members will check in and get their costumes from the upstairs racks and take them to the downstairs dressing rooms. (signing in on their way!) They will remain there throughout the run of the show, hung up and in order after each rehearsal and show. Once dressed and ready our waiting area will be in Studio D. We will show you the way from the stage to the Studio. Please bring a book or quiet game for “waiting” and warm-up time.
